Billing and Enrollment

- Tuition Refund Insurance is strongly recommended to ensure some tuition dollars can be recouped if a student has to withdraw unexpectedly for any reason. Refer to the Tuition Refund Insurance brochure and the enrollment contract for full details.
- To be considered for reenrollment or financial assistance for succeeding academic years, a student's account must be considered current and the student must be in good standing.
- If any payment is delinquent for 60 days following the due date, the student may be excluded from school attendance and activities.
- Incidental expenses are billed monthly, and tuition is billed according to the payment plan chosen. Parents/Guardians will select a Tuition Payment Plan and opt in or out of Tuition Refund Insurance via the enrollment contract. The school will continue to bill the selected options for the duration of the student's time at Episcopal, unless the family notifies the Business Office otherwise in writing.
- The school accepts cash, check, credit card*, and wire transfers for payment of tuition and incidentals. Payments can be made online, through your bank's online bill pay, via U.S. Mail, or in person. **We accept payment for Tuition/Incidentals by American Express, MasterCard, Visa, and Discover credit cards with a convenience fee of 2.5%.*

Financial Aid

Need-based financial aid is available and, if awarded, is credited to the student's account in the same proportions as the tuition is billed. Financial aid applications must be submitted every year. Receipt of, and the amount of, financial aid in one year does not guarantee that same amount or any assistance in the future.

In addition, the State of Florida offers a Florida Tax Credit (FTC) Scholarship Program for low-income families through the Step Up for Students (SUFS) organization.

To receive further information about financial aid, please mark the designated space on the online application form, or contact Peggy Davis, Business Manager, by email, or by phone at 904-246-2466.
